

Improvements...

Our big garden will be undergoing a **BIG** renovation in April, we plan to get the older children involved in planting herbs and shrubs and would like parents to bring in any old pots, pans and other kitchen utensils that are hiding in the back of your drawers, to hang in our new garden.

Changes...

As we grow in numbers, we need to recruit more great nursery nurses to join our team. As you know, we trial all candidates who pass our interview process and then they are subject to a six month probation.

We have a new member to the team, her name is Lucy Gale she is a qualified Nursery Nurse and Mother to 15 month old Jack. She will be working in the Butterflies room.

Samantha Chamberlain will be returning from maternity leave at the beginning of April, bringing baby Seren with her.

Mum's night out...

Our next Mum's night out is Friday 18th April we will be eating at Zi Zi's on St Mary's Street and having drinks after. If you would like to join us please email Leah (leah@daisydaynursery.com) by Friday 4th April so she can book a table.

Dads are also welcome at their own risk!!

Parent's Evening...

This year Parents Evening is being split into two evenings. Caterpillars and Wise Owls will be on Thursday 24th April and Bumble Bees and Butterflies will be Thursday 1st May. This will be a great opportunity for you to discuss your child's development with his or her Key Carer.

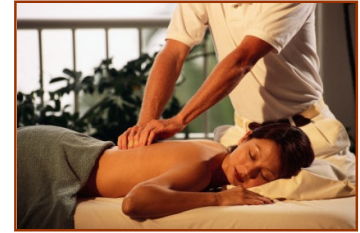

Please look out for further information nearer the date.

THANK YOU

We are really pleased with the success of our promotion and we thank you all for **recommending us** to your friends and family. A special big thank you to

Leah Dwyer for recommending us... she recently received vouchers for her and a friend to spend the whole day pampering herself in the **5 star Celtic Manor Spa worth £240**. We are **continuing** the promotion for both new and existing parents and staff.

Spare Clothes...

If your child is sent home in spare clothes please ensure you return them to nursery as we are running low of trousers and having to send boys home in skirts and dresses!

Quality Monitoring...

Over the coming months you will all receive a quality monitoring questionnaire. **IT IS VERY IMPORTANT THAT YOU COMPLETE AND RETURN** this to Ceri. This is so we can monitor our quality of service and abide by new legislation from CSSIW regulations.
